**Back-to-School**

**GREAT START!** Only a handful of students were missing emergency forms on the first day of school. HOWEVER, we are missing Tdap booster documentations for some 7th graders. Call Barbara Johnson to make sure you are not one of the missing. In addition, a consent form for field trips was included in the Back-to-School packet and some of those forms have yet to be returned. If you look at the calendar, you will note lots of upcoming field trips. Your student cannot go on the field trip without the consent form on file.

**DRIVER AUTHORIZATION & INSURANCE.** You will not be able to drive students on a field trip or to a school sports event without an updated Driver Authorization Form and current insurance record on file. You can go online to the home page of the Motor Vehicle Dept. (dmv.ca.gov), click on Online Services, then Driver Record. You’ll have to register, but it beats going to the DMV to get your driver record.

**THE ROSTER**
A roster of SCDS families was available at the recent Back-to-School nights. If you have a correction during the year, please tell Erica. Additional copies of the Roster are in the front office.

**YELLOW PLACARDS**
Erica has made placards that need to be displayed in your vehicle while picking up your student(s). If you do not have a placard or would like another one, give Erica a call at 481-8811 or email ewilson@saccds.org.

**THE FRIDAY EMAIL**
Look for this weekly missive on your computer. If you want the email to go to a different or additional email, just reply to Julie’s email with the additional address.

**THE FRIDAY PACKET**
Every-other-month or so, a packet will come home to you via LS Friday folders and be available on the website. The packet will include *Highlights* with a two-month calendar, photos, news, and other information. To save paper, we send only one packet per family, most often to the youngest sibling. MS & HS families will be alerted via the Friday email when the Packet is posted on the website.
From the Headmaster

Dear Country Day Families,

I am delighted to welcome you all back for the new school year. By all accounts, we are off to a highly successful start with 65 new families, 87 new students, and six new faculty in the Lower, Middle, and High Schools. Due to the enrollment of so many new students, we added a third section of 6th grade and a fourth section of 7th grade!

50th Anniversary
We celebrated our 50th anniversary with a grand birthday celebration on Sunday, September 14. With over 600 in attendance, we were treated to presentations by Board President, Kelley Taber ’84, and by representatives from the offices of Doris Matsui (6th Congressional District) and Roger Dickinson (7th Assembly District), and by County Supervisor Don Nottoli, who gifted Country Day with a formal proclamation of recognition signed by all five Sacramento County Supervisors. Doris Matsui gave the school a flag that had been flown over the Capitol in Washington, DC. One of our first students, Greg Geeting ’70, son of founders Baxter and Corinne Geeting, spoke about the early days of SCDS and the value of a Country Day education. Much to the delight of the children, we even had a visit from Baxter the Owl and the Cookie Monster!

We offer special thanks to Richard Mancina ’73 and the Anniversary Steering Committee, who spent the past two years preparing for this year of celebration. We also thank Kirsten Ferries, PA President, and Lindsey Sackheim for her leadership in organizing the birthday party. Additional gratitude goes to Amy Johnson ’95 for her extensive support and success in securing a Country Day “Museum Trailer,” and to Kathryn Kaufman O’Connell ’93 for her design of a beautiful 50th anniversary logo.

Middle School Center for Science, Mathematics, and Technology
We are thrilled that new construction to replace two modest 1970s-era classrooms is proceeding apace with an anticipated completion in December of 2014. Even better, the project continues to stay on budget! The teachers are looking forward to moving into their state-of-the-art 700-800 square foot classrooms and laboratories with all new furniture and modern equipment. This beautiful new facility will put Country Day’s Middle School at the forefront of S.T.E.M. education in the Sacramento area for decades to come.

A side benefit of this exciting new development is the updating and improvement of the infrastructure, landscaping, drainage, and irrigation. For example, the fire hydrant once located in the center of the sidewalk is now moved into a landscaped area near the building, and the old booster pump housed in a large, green metal box will be relocated to the back of the property by the maintenance building. Extensive planting of trees, shrubs, and bushes around the building will further enhance the area.

Accreditation
I am pleased to inform you that we received confirmation over the summer that both the California Association of Independent Schools and the Western Association of Schools and Colleges gave Country Day their approval for a full accreditation through the spring of 2017. The visiting team of educators and administrators reviewed every aspect of our school’s operations including our Mission, Educational Programs, Governance, Administration, Faculty, Staff, Community, Admissions, Finance, Development, Health and Safety, Physical Plant, Library, and Strategic Plan. It is an affirmation of Country Day’s excellence that the evaluators gave our school such high marks, and we should be very proud of that!

In Appreciation and a Request
I express my heartfelt gratitude to those individuals and families who have stepped up and gone “above and beyond” over the past half-century to make SCDS the best school in the area. Our children benefit today from this outstanding
school because of the efforts, generosity, and commitment of those hundreds of supporters who have been here before us. To them we are forever and profoundly grateful.

With that in mind, I ask our current families to look within and to consider helping Country Day to move forward. Over the past year, we have raised over $850,000 of the funding we need to cover the costs of the new Middle School facility. While we have received several generous six-figure gifts and a number of four and five-figure gifts, we are still short of what we need to achieve by the end of this year. No gift is too small, but the larger they are, the sooner we will reach our goal.

To our returning families, I ask that you think about what your children have gained through the addition of new facilities, curriculum, and technology over the past decade. To our new families, I ask that you consider how your children will benefit from these exceptional enhancements that are unique and unavailable at any school, public or private, in the six-county region. I thank you for your support.

**In Conclusion**

I am certain that this will be one of our best years ever, and I am happy that you are a part of it. Please remember that my door is always open. I welcome your comments, suggestions, and observations, and I look forward to helping you in any way I can to make this a most memorable and successful year for you and your beautiful children.

Gratefully,

Stephen T. Repsher

SCDS PARKING AND DRIVING REMINDERS

SLOW DOWN
Please slow down when driving in the neighborhood. You can speed up once you hit the freeway, but until then, pretend it’s your own neighborhood and slow down.

STREET PARKING
SCDS cars are not allowed to park on Latham when dropping off or picking up students. For those of you new to the system, our Special Use Permit from the City does not allow parking on Latham. Trust me - we do not want to jeopardize our Use Permit. See below for hints on avoiding the rush-hour times.

MORNING DROP OFF
Avoid the crowd in the morning; get to school at 8 a.m. and there’s no line and plenty of parking.

AFTERNOON PICK UP
The staggered pick-up times in the afternoon seem to be working. Do not arrive before you scheduled pick-up times, as follows:

PK, K and 1st - 2:55
2nd and 3rd - 3:05
4th and 5th - 3:15
Middle School - 3:30
High School - 3:40

EMPLOYEE PARKING ON THE STREET
The exception to parking on the street is the area between the school’s entrance and exit driveways. These spots are assigned to specific faculty. Please do not park there in the morning.

VISITOR PARKING
1. If you’re on campus during the day, you can park along the yellow curb in the parking lot between 8:30 a.m. and 2:30 p.m. No parking along the curb before 8:30 or after 2:30.
2. Visitor parking is open to parents at all times.
3. During the school day, please do not park in a staff spot, even if it’s empty. If a staff parking spot is open after 2:30 p.m., it’s OK to park there.

We know some of these rules are restrictive, but our school is located in the middle of a residential neighborhood and we need to be good neighbors.
STUDENT TRIPS - AN SCDS TRADITION

A traditional feature of the Country Day program is the overnight trips taken by students and faculty as extensions of academic studies. Traveling and spending extended time with classmates and teachers is an educational journey distinct from those memorable family trips with Mom, Dad, and siblings. These are not-to-be-missed adventures!

In the High School, the juniors and seniors head north to Ashland’s Shakespeare Festival, the tenth graders travel to the Sierra Foothills town of Quincy for a ranch experience at the Greenhorn Creek Guest Ranch, and the ninth graders spend four days on a San Francisco Bay Area adventure. Eighth-grade students are immersed in history as they tour Washington, D.C. and the surrounding area, seventh graders are introduced to one of America’s greatest treasures, Yosemite National Park, and sixth-grade students spend five days in a curriculum-based education program at Redwood Glen in the Santa Cruz area. In the Lower School, fifth graders go to Marin Headlands, fourth graders spend the day and night camping at Sutter’s Fort, as well as travel to the Monterey Bay area, and younger students confine their traveling to nearby day trips.

This year’s HS & MS trips are upcoming - High School trips are from September 30 to October 3, and Middle School trips are from October 19-23. The fifth-grade Headlands trip is February 23-26, the fourth-grade Monterey trip is October 15-16, and the 4th grade overnight adventure at Sutter’s Fort is March 12-13.

School trips are an integral component of the educational program at SCDS and all students are expected to attend. Please let your division head know if you have concerns that would prevent your child from attending.

THANKSGIVING MORNING, NOV. 27, JOIN TEAM SCDS FOR THE “RUN TO FEED THE HUNGRY”

All SCDS families and friends are invited to join our fundraising team for the Sacramento Food Bank and Family Service’s 21st Annual Run to Feed the Hungry. We’ve been the top fundraising group since our first team in 2006 and have raised $80,000 over the last eight years.

Whether you are a walker or a runner (or even out of town that day), you can be part of the team. Information about signing up for our team, the special team rates, and perks - like the Team SCDS shirt and priority parking - will be shared in upcoming Friday emails and Highlights. If you have questions or would like to help organize the packets before the race, contact Michelle Myers (mmyers@saccds.org) or Laura Steele Monahan (lmonahan@saccds.org).

EARLY COMMUNICATION

Did you notice that this Highlights is Volume 29? That’s 29 years of this newsletter. Known early on as “The Weekly,” the publication was typed on an IBM selectric using white-out to correct errors. A group of parents, including your editor, collected the information on Friday morning, typed, copied, and stapled the newsletter in the afternoon, and distributed copies to the classrooms by 3 p.m. Every week - rain or shine!
You know your high school students are awesome, and you are so proud of their accomplishments. Tell them how great they are by purchasing a recognition ad in the Sacramento Country Day Yearbook.

Use an ad to congratulate your graduating senior or even acknowledge a special academic or athletic achievement during the school year. An ad in the yearbook allows you to recognize your Cavalier with photos and words. While the yearbook lets your students remember all the special people and events from the school year, the personal touch of an ad will make the book that much more special for them.

We’re doing something new this year and making recognition ads available for purchasing online, at your convenience! The ads come in a variety of sizes and prices, and are easy to customize. Buy online at yearbookforever.com. The deadline for ordering is December 31, 2014.

If you have any questions or would like more information, please feel free to contact the yearbook staff at medallion@saccdsstudent.org.

Sincerely,

Mollie Hawkins

A BIG THANK YOU to our students and families who have already supported our library by donating Celebration Books!

Malia Post (PK), Rose Lemus (Kindergarten), Sasha Sanchez (2nd), Noah Sanchez (4th)
Anna McNatt (4th), and Louisa McNatt (4th)

The Lower School will again be participating in the Jumpstart Read for the Record, a national campaign that mobilizes millions of children and adults to celebrate literacy by participating in one of our country’s largest shared reading experiences. Our students will join over 2,000,000 other children throughout the United States on Tuesday, October 21 to hear the book, Bunny Cakes read aloud. SCDS Lower School students may also participate in a FREE DRESS DAY BY DONATING $1.00 to our Sister Schools, the Rulindo Schools, in Rwanda. The class with the highest participation in free dress day will earn treats from Mrs. Ryan.

AUTHOR VISIT
David Schwartz, author of the book How Much is a Million and many other math and science books, will visit the Winters Library on Monday, November 3. He will hold three sessions for students throughout the day and autograph books. Watch for a BOOK ORDER with many David Schwartz titles in your Friday folders.

BOOK BONANZA
It is time again to clean out those bookshelves and send us your gently used children’s books! The Book Bonanza will be held on Monday, November 24th in the Winters Library. Books may be dropped off to Mrs. Ryan in the Library any time until Friday, November 22nd.
NOTES . . .
from the Matthews Library

Curriculum Notes:
September is National Library Card Sign-Up Month. Our kids don’t need cards for our library (we just use their names since we know them), but some of them need public library cards, especially our 10th graders who will be using them while researching for their Sophomore Projects this year. Chris from the Arden-Dimick Library is helping us out by bringing us the applications and then bringing us back the cards (saving everyone a trip). He’s also going to do a little lunchtime workshop for us to tell us about the great resources we have available to us at the public library including ebooks, audiobooks, and databases (including many we don’t subscribe to).

Program Notes:
The Leadership Lunches happen each month and are listed on the calendar. Upcoming lunches will include Ryan Canepa talking about water skiing, Micaela Bennett-Smith presenting on her trip to Africa this summer, Akilan Murugesan on teaching for Breakthrough, and possibly two students presenting on their summer jobs as camp counselors.

Thank You Notes:
Thank you to Chris Liston ’15 and Max Schmitz ’16 for helping us clean our fiction shelves.

On a Lighter Note:
If you followed our library page this summer, you know we had lots of fun with #shelfies. If you’d like to join in on the fun, send us your own #shelfies and we’ll post some of them on the website. We’re opening it up to students, faculty, and parents as well as some of our independent school librarian colleagues. Just put a pair of eyes on your favorite book and photograph it in its natural (or not so natural) habitat. To see some examples, you can go to our website http://matthews.saccds.org and view the entries from June 19, 2014 to August 20, 2014.

Dear Fellow Parents,

This summer we have been working behind the scenes recruiting parents to volunteer for many events to ensure a fun and successful school year! Many THANKS to all new and returning room and grade parent volunteers who answered our calls, texts, and emails for help! For those of you who have already returned the orange volunteer reply card, thank you! There is still time to sign up to volunteer to help for an event or program - just return your reply card to the front office. You may also email us at pa@saccds.org.

Most of you already know that the Cavalier Club is back this year. Cavalier Club membership is a ONE-TIME payment at the beginning of the school year, which covers those extra “fun” activities for the students and families. The membership eliminates ongoing requests for funds for different activities and events throughout the year. This year, membership includes a T-shirt for student members. Families enjoy over $100 in savings by becoming members.

Mark Friday, OCTOBER 17 on your calendar. It will be an exciting day on campus as we celebrate Homecoming with a pep rally, after-school festival and BBQ, and cheer on our volleyball and soccer teams. Our goal is to spread school community spirit for homecoming and bring together families of lower school, middle school and high school. Another added bonus is the chalk mural created by students featuring the work of artist Betty LaDuke will be on display. The school community will shine bright - don’t miss it!

The Parents’ Association motto continues to be “Our Parents: Making a Difference with Their Talent and Support since 1964.” THANK YOU.

Sincerely,

The Parents’ Association Board
Kirsten Ferries, Priya Krishnan, Katherine Merksamer ‘88, Anna Orlowski, Michelle Jackson, and Lindsey Sackheim

Special thanks to the following parent leaders for sharing their talent and support, while working on behalf of the Parents’ Association

Robin Judd, Used Textbook Sales
Liane Randolph & Wendi Zales, New Parent Welcome
Christy Procida, Orientation Day Luncheon
Nicole Van Vleck, HS Grade Parent Coordinator
